

Greetings in the mighty Name of Jesus!

May 2023

As many of you already know, my heart is for missions, especially in Latin America. So thank you for your prayers. They are truly working! I have recently returned from trips to both Cuba and El Salvador where we experienced many exciting testimonies.

In late February I traveled to Cuba with my Cuban Pastor friends from south Florida. We were able to successfully distribute many needed supplies and food.

Then, in April, I visited San Salvador, the capitol of El Salvador. I was invited by my wonderful hosts, Pastors Rene & Maria Perla. Boy, did they ever keep me busy! My six day trip included preaching in two churches, ministering to a men's group, a children's ministry, Pastor Perla's leadership team, and a gathering of eight local pastors. I prayed for each of the pastors individually and also encouraged them to pray together for city-wide unity and revival.

My last day in San Salvador I led a group of approximately ten members of the Perla's church on a morning walk of street evangelism. I taught them how to use the "Good News" gospel tracts and even though most of them had ever done street evangelism we still had nine salvation professions of faith! (I only had one profession; they did the rest!)

Testimony results included approximately 50 salvations (including 30 children), ministering 40-50 personal prophesies, 40-50 people praying to receive the baptism of the Holy Spirit, seeing two prodigals return to Jesus after I had prophesied this to their father at the beginning of my stay, several healings, and distribution of my "Foundations of the Faith" workbook (Spanish version). Hallelujah!

Pastor Daniel, a missions trainer that I met during the pastors gathering, asked for more workbooks for his leaders to use for house ministries. This is a direct answer to prayer!

The follow-up good news is that I've been asked to come back to both Cuba and El Salvador, probably later on this year! I'll keep you posted. Missions photos are shown below as well as on my website. Also, I will be going with my Cuban pastor friends to minister and bring my workbooks to an existing six churches in the San Pedro Sula, Honduras area. (Matthew 28:18-20)

Also, the "One Hour Prayer Guide" is now available on the website in both English and Spanish. Just click the link.

The total cost for the two trips was \$2800. Any donation amount to cover this and future trips is greatly appreciated.
