

Fall/November 2023

Grace & greetings in the mighty Name of Jesus:

A lot has happened since my missions update last May. Many powerful testimonies have occurred, and I would like to share a few with you. Please check out all the missions' photos on my website at this link: [Prepare4transformation.com](http://Prepare4transformation.com).

In July, I accompanied my good friends Pastors Luciano & Marisol Miranda and a powerful team that assembled to minister and encourage five of their established churches in San Pedro Sula, Honduras. They had not been able to see them in person since before Covid. It was a really encouraging time for all of us! One evening I ministered to the Pastors and leaders on the principles and practical methods of evangelism. I also brought tracts, Bibles, and copies of the foundations workbooks as gifts. Earlier that day I led two young men in a prayer of salvation while we were having lunch at an outdoor restaurant. (See first Photo) Thank you, Jesus! We wrapped up the trip with all the churches coming together for two evenings to celebrate at a conference center. The worship was amazing, and we also experienced lively teaching, prophecies, and prayed for many needs. Two young boys were healed of flat feet during the conference right before our eyes.

In September, I traveled to Seattle, Washington to attend an annual summit with a ministerial group I've been part of for 14 years, Kingdom League International. We had speakers who taught and informed us on subjects including Christian Involvement in Government, Finances/Investments, Deliverance/Inner Healing, Youth Evangelism, Ministry to the Poor & Incarcerated, Prayer & Worship, and more. It was awesome!

Then, last month in October, I made a second trip to San Salvador, El Salvador. I was hosted again by my wonderful friends, Pastors Rene & Maria Perla. I spoke at five venues in five days and attended an outdoor evangelistic meeting at a public park very close to the Perla's church. There were approximately 100 people in attendance at the park!

At one of the speaking engagements, I was honored to meet with several pastors at the National Assembly of God headquarters. I encouraged the pastors on the subject of unity and how they could start praying and outreaching together. I gave them copies of the [One Hour Prayer Guide](#) and taught them the model of 1-Church-1-Day.

One of the pastors I had met on my previous trip, Pastor Daniel, used the Spanish version of our Foundations workbook to train a class of 28 students during the summer. I was honored to be invited to speak at the graduation ceremony. The students had been using photocopied versions, so their reward was a brand-new copy of the workbook to keep for themselves.

At the unity meeting, I met a young pastor, Emerson, who invited me to speak at his church on Sunday afternoon. We had a wonderful time. At the end of the service Pastor Emerson, Pastor Rene and I prayed for needs at the altar. About 2 weeks later I heard that a woman who had debilitating arthritis in both knees had been completely healed when I prayed for her. She has been testifying everywhere and is thrilled that she can now wear high heels again! Glory to Jesus!

The big news for January 2024 is that my wife Brenda will be traveling with me to minister in San Salvador. She is an awesome teacher and mentor. We are so looking forward to this! The dates are January 17-22, and we greatly appreciate your prayers for this upcoming trip.

Please let us know if we can pray for any needs that you have. If you would like to support these travels and ministry, please mail gifts to the address below made out to Carl Krames.
